The reasonableness of, regular singing

*KD
1720

[Symmes, Thomas] 1678–1725.
The reasonableness of, regular singing, or, singing by note; in an essay, to revive the true and ancient mode of singing psalm-tunes, according to the pattern in our New-England psalm-books; the knowledge and practice of which is greatly decay'd in most congregations. Writ by a minister of the gospel. Perused by several ministers in the town and country; and published with the approbation of all who have read it. Boston in N.E.
